Don't Miss the 2011 Traffic Summits!

The 2011 Traffic Summits are right around the corner! Don't miss this opportunity to meet with MDOT and local officials to review the past construction season and learn about coordinating opportunities for construction next spring. All summits will begin at 9 a.m. and will be held at the following locations.

October 25 - Ingham County Road Commission, 301 Bush Street, Mason
October 27 - Eaton County Road Commission, 1112 Reynolds Road, Charlotte
November 3 - Clinton County Road Commission, 3536 South US 27, St. Johns

Please contact Paul Hamilton at (517) 393-0342 for more information.

Michigan Association of Planning (MAP) Conference

October 19-21, 2011 – Amway Grand Plaza Hotel, Grand Rapids

This conference provides an excellent source of best planning practices for professional planners, community development professional, planning commissioners and elected officials. [More Details](#)

GLACC Reception and Press Event

October 27, 2011 at 10:00 a.m. – The offices of Kuntzsch Business Services, 300 N. Bridge Street, Grand Ledge

Learn how the Greater Lansing Area Clean Cities (GLACC) \$725,000 EPA grant will improve air quality for local school children! GLACC Supporters, school administrators, students, district legislators, local officials, and the media will have an opportunity to learn how these funds from EPA will help school children and the public benefit from cleaner air. [More Details](#)

MWEA Watershed Seminar – Earn “Managerial” Wastewater Credit!

December 8, 2011 – Eagle Eye Banquet Facility, East Lansing

This conference is multi-disciplinary and is designed for all who have a direct stake in stormwater and watershed management, non-point source pollution or the modeling of urban stormwater systems. There is a fee to attend and you will receive .5 “Managerial” Wastewater credit! [More Details](#)

The Science, Practice & Art of Restoring Native Ecosystems 2012

January 20-21, 2012 – Kellogg Center in East Lansing, MI

The Stewardship Network proudly announces their 2012 conference on Natural Areas and Ecosystem Services! Come learn about the role of “ecosystem services” and how we can preserve and enhance them through natural areas stewardship. [More Details](#)
